H. F. No. 4124

02/22/2024 Authored by Lillie, Her and Burkel
The bill was read for the first time and referred to the Committee on Legacy Finance

A bill for an act

relating to legacy; appropriating money from outdoor heritage fund.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this act. The appropriations are from the outdoor heritage fund for the fiscal year indicated for each purpose. The figures "2024" and "2025" used in this act mean that the appropriations listed under them are available for the fiscal year ending June 30, 2024, or June 30, 2025, respectively. "The first year" is fiscal year 2024. "The second year" is fiscal year 2025. "The biennium" is fiscal years 2024 and 2025. The appropriations in this act are onetime appropriations.

	APPROPRIATIONS Available for the Year Ending June 30

(x) Silver Lake Dam Fish Passage Modification

$2,368,000 the second year is to the commissioner of natural resources for an agreement with the city of Rochester to restore and enhance aquatic habitat in Silver Lake and the south fork of the Zumbro River by modifying the existing low-head dam in Rochester.

(y) Little Devil Track River Restoration

$3,000,000 the second year is to the commissioner of natural resources for an agreement with Cook County to restore and

enhance stream habitat in the Little Devil Track River.

(z) Conservation Partners Legacy Grant Program: Statewide and Metro Habitat, Phase 16

$15,000,000 the first year is to the commissioner of natural resources for a program to provide competitive matching grants of up to $500,000 to local, regional, state, and national organizations for enhancing, restoring, or protecting forests, wetlands, prairies, or habitat for fish, game, or wildlife in Minnesota. Unless there are not enough eligible grant applications received, of this amount, at least $4,000,000 is for grants in the seven-county metropolitan area and cities with a population of 50,000 or more and at least $4,000,000 is for grants to applicants that have not previously applied for money from the outdoor heritage fund. Grants must not be made for activities required to fulfill the duties of owners of lands subject to conservation easements. Grants must not be made from the appropriation in this paragraph for projects that have a total project cost exceeding $1,000,000. Of the total appropriation, $600,000 may be spent for personnel costs, outreach, and support to first-time applicants and other direct and necessary administrative costs. Grantees may acquire land or interests in land. Easements must be permanent. Grants may not be used to establish easement stewardship accounts. The program must require a match of at least ten percent from nonstate sources for all grants. The match may be cash or in-kind. For grant applications of

$25,000 or less, the commissioner must provide a separate, simplified application process. Subject to Minnesota Statutes, the commissioner of natural resources must, when evaluating projects of equal value, give priority to organizations that have a history of receiving, or a charter to receive, private contributions for local conservation or habitat projects. All restoration or enhancement projects must be on land permanently protected by a permanent covenant ensuring perpetual maintenance and protection of restored and enhanced habitat, by a conservation easement, or by public ownership or in public waters as defined in Minnesota Statutes, section 103G.005, subdivision 15. Priority must be given to restoration and enhancement projects on public lands. Minnesota Statutes, section 97A.056, subdivision 13, applies to grants awarded under this paragraph. This appropriation is available until June 30, 2027. No less than five percent of the amount of each grant must be held back from reimbursement until the grant recipient completes a grant accomplishment report by the deadline and in the form prescribed by and satisfactory to the Lessard-Sams Outdoor Heritage Council. The commissioner must provide notice of the grant program in the summary of game and fish law prepared under Minnesota Statutes, section 97A.051, subdivision 2.

Subd. 6. **Administration** -0- 1,402,000

(a) Contract Management

$350,000 the second year is to the commissioner of natural resources for contract management duties assigned in this section. The commissioner must provide an accomplishment plan in the form specified by the Lessard-Sams Outdoor Heritage Council on expending this appropriation. The accomplishment plan must include a copy of the grant contract template and reimbursement manual. No money may be expended before the Lessard-Sams Outdoor Heritage Council approves the accomplishment plan. Money appropriated in this paragraph is available until June 30, 2026.

(b) Technical Evaluation Panel

$160,000 the second year is to the commissioner of natural resources for a technical evaluation panel to conduct up to 25 restoration and enhancement evaluations under Minnesota Statutes, section 97A.056, subdivision 10. Money appropriated in this paragraph is available until June 30, 2026.

(c) Core Functions in Partner-led OHF Land Acquisitions

$892,000 the second year is to the commissioner of natural resources for administering the initial development, restoration, and enhancement of land acquired in fee with money appropriated from the outdoor heritage fund. This appropriation may be used for land acquisition costs incurred by the department in conveying parcels to the department and for initial development activities on fee title acquisitions. Money

appropriated in this paragraph is available until June 30, 2032.

Subd. 7. **Availability of Appropriation**

(a) Money appropriated in this section may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council. Money appropriated in this section must not be spent on indirect costs or other institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated for fee title acquisition of land may be used to restore, enhance, and provide for public use of the land acquired with the appropriation. Public-use facilities must have a minimal impact on habitat in acquired lands.

(b) Money appropriated in this section is available as follows:

(1) money appropriated for acquiring real property is available until June 30, 2028;

(2) money appropriated for restoring and enhancing land acquired with an appropriation in this section is available for four years after the acquisition date with a maximum end date of June 30, 2032;

(3) money appropriated for restoring or enhancing other land is available until June 30, 2029;

(4) notwithstanding clauses (1) to (3), money appropriated for a project that receives at least 15 percent of its funding from federal funds

is available until a date sufficient to match the availability of federal funding to a maximum of six years if the federal funding was confirmed and included in the original approved draft accomplishment plan; and

(5) money appropriated for other projects is available until the end of the fiscal year in which it is appropriated.

Subd. 8. **Payment Conditions and Capital Equipment Expenditures**

(a) All agreements referred to in this section must be administered on a reimbursement basis unless otherwise provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, expenditures directly related to each appropriation's purpose made on or after July 1, 2024, or the date of accomplishment plan approval, whichever is later, are eligible for reimbursement unless otherwise provided in this section. For the purposes of administering appropriations and legislatively authorized agreements paid out of the outdoor heritage fund, an expense must be considered reimbursable by the administering agency when the recipient presents the agency with an invoice or binding agreement with a landowner and the recipient attests that the goods have been received or the landowner agreement is binding. Periodic reimbursement must be made upon receiving documentation that the items articulated in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council have been achieved, including partial achievements as evidenced by progress reports approved by

the Lessard-Sams Outdoor Heritage Council. Reasonable amounts may be advanced to projects to accommodate cash-flow needs, support future management of acquired lands, or match a federal share. The advances must be approved as part of the accomplishment plan. Capital equipment expenditures for specific items in excess of $10,000 must be itemized in and approved as part of the accomplishment plan.

(b) Unless otherwise provided, no money appropriated from the outdoor heritage fund in this act may be used to acquire, restore, or enhance any real property unless the specific acquisition, restoration, or enhancement is approved as part of the accomplishment plan on the parcel list.

Subd. 9. **Mapping**

Each direct recipient of money appropriated in this section, as well as each recipient of a grant awarded pursuant to this section, must provide geographic information to the Lessard-Sams Outdoor Heritage Council for mapping of any lands acquired in fee with funds appropriated in this section and open to public taking of fish and game. The commissioner of natural resources must include the lands acquired in fee with money appropriated in this section on maps showing public recreation opportunities. Maps must include information on and acknowledgment of the outdoor heritage fund, including a notation of any restrictions.

Subd. 10. **Carryforward**

(a) The availability of the following appropriations is extended to June 30, 2025:

(1) Laws 2019, First Special Session chapter 2, article 1, section 2, subdivision 5, paragraph (f), Trout Unlimited Coldwater Fish Habitat Enhancement and Restoration - Phase XI; and

(2) Laws 2019, First Special Session chapter 2, article 1, section 2, subdivision 5, paragraph (j), Shell Rock River Watershed Habitat Restoration Program - Phase VIII.

(b) The availability of the appropriation in Laws 2019, First Special Session chapter 2, article 1, section 2, subdivision 4, paragraph (g), Big Rice Lake Wild Rice Enhancement, is extended to June 30, 2026.
